WELCOME

The Perth Football League welcomes everyone to today's B to E Grade Grand Finals as part of the 2022 Coward Punch Campaign Finals Series.

21 Grand Finals will be played across seven venues today as the League continues to grow with 12,928 players representing 71 clubs this season.

Hamersley Carine, Brentwood Booragoon, Secret Harbour and Jandakot will all field two teams today and be hoping to secure multiple premierships.

Kalamunda, University, North Beach and Curtin Uni Wesley will feature three sides which is a reflection of the strong seasons the clubs had across multiple grades.

Wanneroo will remarkably have four teams contest for a premiership today with three of these taking place at Pentanet Stadium which is set to be a massive day for the club and supporters.

The season has not been without its challenges, so we thank all clubs for cooperating to help us get to this point of the season.

It would not be possible without the fantastic support of our club volunteers who continue to provide exceptional service to their community by helping to keep their local clubs running. We hope as this season draws to a close you look back with pride on what you have all achieved.

The Perth Football League would like to thank all our partners who have supported us in 2022 including the West Australian Football Commission, Carlton & United Breweries, Construction Training Fund, West Coast Eagles, Burley, Blackchrome, Midway Ford, Life Without Barriers, Goodlife, McDonald's and The Coward Punch Campaign.

Congratulations to all players and clubs in today's Grand Finals, we look forward to all games being played in great spirit as we write 21 new teams into the history books.

WOMEN'S COMPETITION BECOMES THE LARGEST IN AUSTRALIA

Commencing in 2018 with 16 inaugural teams, the Perth Football League women's competition has seen a rapid growth in participation over such a short period of time. In 2022, the total number of women's teams has soared to 66 with multiple clubs now fielding two sides across the seven grades.

This currently makes the Perth Football League's newly named Construction Training Fund Women's League the largest senior community women's competition in Australia. Perth Football League Operations Coordinator Jill Saunders said she anticipates that the league is still a couple of years away from seeing a plateau in the growth rate as the competition continues to see rising participation numbers in its fifth year.

YEAR	CLUBS	TEAMS	PLAYERS
2018	15	16	612
2019	23	25	948
2020	31	40	1587
2021	44	53	2198
2022	51	66	2761

Curtin Uni Wesley women's Coach Martin Edmunds has been there since the league's inception in 2018 and reflected on the beneficial impact that women's football has made at his club:

"The introduction of women's football has completely changed the dynamic of the club and the players have brought with them an amazing level of enthusiasm, energy and engagement," Edmunds said.

"From relatively humble beginnings at the formation of the league in 2018 to providing playing opportunities to over 75 female players in 2021, the engagement and growth of the women's teams at Curtin Uni Wesley has been surreal."

"The women's teams across the Perth Football League have been developing at a rapid rate and can now be seen playing some outstanding football every weekend with the players and teams having improved out of sight since the formation of the league."

FROM THE AMATEURS TO THE BIG TIME

From the Perth Football League to the AFLW in the space of nine games, it was an incredible start to the year for Wembley star Megan Kauffman.

She was taken by Fremantle Dockers in the AFLW draft with pick 77, becoming the first female to be selected straight from the amateurs.

Tennis commitments had always prevented her from playing footy until she returned home from America and what an introduction to the sport it has been.

The 25-year-old made her debut for Wembley in the Perth Football League CTF Women's B Grade in Round One of 2022.

Eight games later, she was selected to play in the PFL representative state side against WA Country and was awarded best on ground under the eye of Fremantle Dockers AFLW Coach Trent Cooper.

Kauffman put together a monster display as an inside midfielder for the Perth Football League as they snuck home by two points over the WA Country Football League.

"When my name showed up, there was a lot of emotion," Kauffman said.

"On draft night I was trying not to get too excited. I think I had more of a hope and an inkling coming from Freo. I had just spoken to them a bit more, so when I was looking at their picks coming up, my ears were pricked when they had a selection.

Kauffman credits an abundance of AFLW types at Wembley with putting her name on West Coast and Fremantle's radar. Retired Eagle Parris Laurie coaches Wembley, Fremantle specialist coach Amy Lavell plays up forward and Dockers superstar Kiara Bowers' partner Adele Coxall also plays for Wembley.

"I think the fact that Freo and the team have been speaking to me and the fact that they've drafted me shows that they believe in me," she said.

"In that sense, that gives me belief in myself. I know my abilities and I know that I have a lot to learn, and I'm just super eager to do that and to learn all the players and coaches at Freo."

"I think there is a lot of hidden talent in the amateur competition. WAFLW teams have looked at the PFL because the talent is there and now AFLW teams are looking. If other players get picked out of ammos, I think it's great for the league and for women's footy."

WOMEN'S STATE MATCH

PERTH FOOTBALL LEAGUE

2.17 (29)

WA COUNTRY FOOTBALL LEAGUE

4.3 (27)

On Friday 24 June, the Perth Football League CTF State Women's side took on the WA Country Football League under lights at Inglewood Oval.

This was the second meeting between the two women's representative sides after last year's inaugural match that saw WA Country defeat the PFL by 25 points.

Former West Coast Eagles AFLW player and current Wembley coach, Parris Laurie was at the helm of the PFL side alongside assistant coaches Martin Edmunds (Curtin Uni Wesley), Harry Beaton (University) and Carly Sutton (Kingsley).

The PFL weren't able to capitalise on their dominance in the first half as WA Country kicked three straight goals to the PFL's 1.8 to lead by four points at the main break.

The wayward goal kicking continued in the second half, but the PFL were able to put two majors on the board to show something for their dominance.

This set up an epic final term as a nail-biting contest unfolded with WA Country kicking the only goal for the quarter but the PFL were able to hold on and claimed victory by two points.

Wembley's Megan Kauffman put together a monster display as an inside midfielder for the PFL, with a best on ground performance that sealed her move to the Fremantle Dockers less than a week later.

HALL OF CHAMPIONS

Trent Cooper

The Hall of Champions was established in 2010 to recognise individuals who have made a significant contribution to amateur football in Western Australia since inception in 1922.

This year Curtin Uni Wesley legend Trent Cooper was inducted into the Hall of Champions at the Perth Football League Awards Night on Monday 5 September.

Trent Cooper's amateur football career started in 2000 with Curtin Uni Wesley where he went on to become one of the club's most decorated members over 15 seasons and 203 games.

In his debut season, Trent won the club's Best & Fairest award and went on to coach the club's League side for the following five seasons.

Trent was able to steer the club into finals every year at the helm of the League side, making an appearance in two Grand Finals and finishing minor premiers once. He played a pivotal role in the club moving back into A Grade in 2006.

As a player/coach during this period, Trent won the WAAFL B Grade Fairest and Best three times in 2002, 2003 and 2005 as well as being awarded as the B Grade Leading Goal Kicker in 2005.

Trent's dominance in the competition earned him state honours where he represented WA in 2002 and 2003. He was selected in the All-Australian side and won the Tetley Medal as WA's Best Player in 2003.

After stepping down from the League Coach role in 2006, he was still committed to coaching and took on the vacant A Colts position while also continuing to play in the club's League side.

He became a member of Curtin Uni Wesley's Team of the Decade (1996-2005) and took out the club's Player of the Decade award in 2006.

Trent then went on to win the WAAFL E Reserves Fairest & Best in 2009 along with being crowned Curtin Uni Wesley's Fairest & Best before retiring the following year after winning the E Reserves Premiership in 2010.

2009 also saw his first official role on the committee as he was approached to be Football Manager – a role that he committed himself to fully over the next four years.

In 2011, Trent took a more serious venture back into coaching with the A Colts. He managed to make the Grand Final in his first season back at the helm and then was able to go one better the next year, coaching his side to the premiership in 2012.

Trent became a Life Member of the club in 2012 and then made the move to the WAFL to coach at Swan Districts before returning to Curtin Uni Wesley in 2017 to coach the League side for two seasons.
