The Perth Football League is honoured to play on the ancestral lands of the Whadjuk Noongar people. The league acknowledges the first Australians as the traditional owners of the lands and pays respects to their Elders both past and present.

WELCOME

The Perth Football League welcomes everyone to today's Integrated Grand Finals.

In season 2022, the Life Without Barriers Integrated competition welcomed two new teams and continued to grow its key focus on participation and inclusion for all. The competition now sees 13 teams competing with over 300 players taking to the field every weekend.

WA's Integrated competition was born out of several Perth Football League clubs that identified a need for players with an intellectual disability who love the game of footy. Beginning with come and try days, the competition has since grown majorly and provides a competitive edge for all players.

Today, the A Division Grand Final will see last year's reigning premiers Willetton take on High Wycombe for the P. L Grosser Cup. In the second ever Division B Grand Final, Fremantle CBC will go head-to-head with Kelmscott in what is set to be a nail-biting match.

The season has not been without its challenges, so we thank all clubs for cooperating to help us get to this point of the season.

It would not be possible without the fantastic support of our club volunteers who continue to provide exceptional service to their community by helping to keep their local clubs running. We hope as this season draws to a close you look back with pride on what you have all achieved.

The Perth Football League would like to thank all our partners who have supported us in 2022 including the West Australian Football Commission, Carlton & United Breweries, Construction Training Fund, West Coast Eagles, Burley, Blackchrome, Midway Ford, Life Without Barriers, Goodlife, McDonald's and The Coward Punch Campaign.

Congratulations to all clubs and players in today's Grand Finals and we look forward to all games being played in great spirit.
